GERMAN CAMPAIGN ON

sahops of Germany have issued a said newspapermen exaggerated his pastoral letter asking all parishon- story and gave this mysterious tribe ers to unite in a campaign against the name. Stefansson's description vice, which is charged flourishes in was similar to that of Bernard's. many cities. The bishops call particular attention to the "immorality" of some theatres, moving picture houses and restaurants, where it is alleged victous dancing prevails.

Women are asked to help do away with some of the "shameful modes" of women's dresses and to guard their daughters against the dangers of "loose thinking and careless living." The bishops say public imnorality since the war has reached point where it threatens to underine family life and the morale of he people and urge the necessity a sharp reaction and return to older and better standards."
